Dear Mr. Mattke and Ms. Arteaga:

WorkSource Standards & Integration Division has completed the review of your final, signed PY 10 Workforce Investment Act (WIA) and Wagner-Peyser Local Operations Plan modification. Your Local Operations Plan (LOP) modification is approved and extended through PY11.

In reviewing the final local plan modifications, we anticipated more detailed responses to our comments and questions than were provided in many cases. In the future we will be requiring that our comments are fully addressed in order to meet the intent of the LOP process.

Thank you and please let me know if you have any questions.

Sincerely,

Amy L. Smith-Rubeck, MA, LMHC, NCC
